License Plate / Sticker Information: Carry this notice in your vehicle.

Wisconsin DMV will mail your plates (plate number shown above) and stickers separately if they were not handed to you or received with this certificate of registration. Regular plates and stickers should arrive in 10 to 14 days. Special / personalized plates with stickers should arrive in 4 to 6 weeks.

If you did not request new plates, you are receiving them because state law requires the replacement of older plates.

If you currently have plates, keep them on the vehicle until your new plates arrive. You must destroy your old plates after you put the new plates on your vehicle. You may not operate an auto or truck registered at 8,000 lbs. or less without license plates.

If you have questions about regular plates, e-mail: vehiclequestions@dot.wi.gov OR call 608-264-7447.

If you have questions on special/personalized plates, e-mail: special-plates.dmv@dot.wi.gov OR call 608-266-3041.
